

**GUIDELINES AND CRITERIA FOR TRAVEL GRANTS  
TO SUPPORT CONFERENCE REGISTRATION, TRAVEL AND LODGING EXPENSES FOR  
PARTICIPANTS TO CIMAM'S 2010 ANNUAL CONFERENCE**

Thanks to the support of the Fundación Cisneros/Colección Patricia Phelps de Cisneros, a CIMAM Travel Award Scheme has been established to support young professionals from Latin American countries participating in CIMAM's Annual Conference. The awards, valued at a maximum of 2,000 Euros each are for reimbursement of travel, lodging and payment of registration fees.

**General Remarks**

Travel grants are conferred by the CIMAM board based on their assessment of the professional's genuine financial need and the potential benefit to his/her development and/or research. The number of grant recipients and the funding level will be contingent upon the availability of funds and the number of applications received. Those individuals eligible to apply should be,

- under the age of 40 years
- in need of financial help to attend
- working in the modern or contemporary art field in an institution or independently
- applicants having received CIMAM grants will normally not be considered for a new grant for 3 years
- applicants who intend to participate actively in the event (e.g., by moderating a workshop) may be given priority

**Application for a CIMAM travel grant**

Only those applications accompanied by the following items will be considered

- the application form (Word, PDF)
- curriculum vitae: This document must include publications, paper presentations, and exhibitions curated in the past five years, as well as any other information relevant to the proposal
- a detailed budget: The detailed budget must also list all other sources of funding sought or obtained for the proposed project
- 2 letters of recommendation: submitted by professionals or scholars from institutions who are familiar with the applicant's professional qualifications

**Certain conditions are connected with the payment of a grant:**

The grantee shall submit a written report describing their experiences and outcomes within a month of returning from the conference.
